

## Sheffield-Sheffield Lake City Schools Permission to Post Student Information

Dear Parent/Guardian:

The Sheffield-Sheffield Lake City School District has many fine students who should be recognized for their excellence in academics, athletics, and in other areas worthy of recognition. Therefore, the work of these students should be acknowledged. One of the more routine ways to recognize such students is by printing the information in the local newspaper. However, there are other methods for publicly acknowledging these students, such as the Internet and the local cable channel. Throughout the school year, we may wish to post the achievements/work of your child in the newspaper, in the school newsletter, on the Internet, and/or on the local cable channel.

If you give your permission to have the information set forth above appear in these media, please read the statements below and indicate your agreement by signing. If you do not want the information posted, please advise the principal in writing at the beginning of the school year.

As the student's parent or legal guardian, I have read this letter and understand that by signing below I am consenting to information regarding my child being posted in the newspaper, on the Internet, and/or appearing on a local cable channel as indicated above by the District. I also hereby release the Board, administrators, and employees from any and all claim of any nature arising from posting of the above described information in the newspaper, on the Internet, and/or on the local cable channel.
