

Sheffield –Sheffield Lake City Schools  
Presents:  
**THE TRUTH ABOUT VAPING:  
WHAT EVERY PARENT  
NEEDS TO KNOW**

*Wednesday, February 20, 2019*

*6:30—7:30 P.M.*

*Brookside High School/Middle School Cafetorium*

*THE NEST*

**The use of vaping is on the rise among middle and high school students. Join us for a presentation by Shannon Perry, prevention specialist with LCADA Way, to learn:**

- ◆ What is vaping?
- ◆ The different vaping devices
- ◆ Health effects
- ◆ Ingredients in the e-juice
- ◆ Media impacts on vaping
- ◆ THC extracts being used in vaping devices
- ◆ Prevalence of vaping use among middle and high school students

**Take-home information will be provided as well.**

**Adult only program.**
