Review Progress Monitoring Data for each intervention by answering the following the questions:

1. Was each intervention implemented with fidelity to the intervention design?

Yes No

2. Has the student reached the identified intervention goal?

- If the answer is yes, then the student will be returned to Tier 1 and monitored by the classroom teacher.
- If the answer is no, continue to #3

3. Is the student's progress toward the identified goal improving at an acceptable rate?

- If the answer is yes, then continue with the current intervention. The team will review again in 6-8 weeks.
- If the answer is no, then continue to #4

4. Is it time to increase a student's Tier status and/or time to explore other options, such as educational testing?

- The team will determine whether to increase the frequency and/or duration of the current intervention or to change the intervention along with the frequency and/or duration based on current student data.
- Changes in Tier status and/or other recommendations will be reflected in the chart below.

5. When will the committee meet again to review the interventions? _____

Meeting Date	Area of Concern	Intervention	Start Date	Duration	Provider	Progress Monitoring Tool	Goal (What do we expect and by when? Must be specific and measurable)	Date Goal Was Met
